International Mathematics Olympiad	29.0%	14.9%	14.1%
AI & Robotics Challenge	15.4%	10.0%	5.3%
International Coding Olympiad	30.3%	26.1%	4.2%
International School Olympiad	16.7%	19.7%	-3.1%
International Science Olympiad	19.2%	25.1%	-5.9%
Total	40.0%	19.4%	20.6%

Key Trend Insights

- Young Innovators Challenge is accelerating fast — nearly doubled in the last 4 weeks.
- Science & School Olympiads are cooling off after strong early growth.
- Student Speaker & Winter Painting are holding steady, consistent momentum.
- Sep figures are partial (data through Sep 4) — not a real decline.
- **Recommendation:** Push Young Innovators now; refresh outreach for Science/School Olympiads.
